## **DETAILED ACTION**

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art made of record has failed to suggest either singly or in combination a novel automobile seat cover. The applicant has disclosed the use of a seat cover having an upper and lower portion seat portion, and a headrest, further comprising an upper seat cover and an integrated headrest cover having a hook material and a tab to secure the headrest cover to the headrest; a lower seat cover having an outer surface made of a loop material and at least two elongated straps having a hook made of hook material and an intermediate segment secured within the gap by an intermediate hook.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
